1999 - 2002	<b>Economist</b> , <b>GlaxoSmithKline</b> , Economic Affairs and Pricing Department, Paris
1995 - 1996	<b>Junior Product Manager</b> (Prozac), <b>Eli Lilly</b> , Marketing Department, Paris

### **Visiting positions and Other Affiliations**

June-August 2019 (sabbatical)	Visiting Scholar (appointed), <b>Stanford University</b> , Department of Health Research and Policy, <a href="https://med.stanford.edu/hrp.html">https://med.stanford.edu/hrp.html</a>
Feb-March 2014	Visiting Scholar (appointed), <b>Stanford University</b> , Department of Health Research and Policy
2011 - present	Member of <b>THEMA</b> , <b>University of Cergy-Pontoise</b>
2010 - 2012	Visiting Professor (appointed), <b>University of Lausanne</b>

December 2009	Visiting Fellow, <b>Newcastle University</b>
August 2006,2007, 2008	Visiting Assistant Professor, <b>Harvard University</b> , Department of Health Care Policy (HCP)
October 2006 July 2008	Visiting Fellow, <b>National Bureau of Economic Research</b> (NBER), New York branch office
June-October 2005	Visiting Assistant Professor (appointed), <b>Harvard University</b> , Department of Health Care Policy (HCP) ( <b>Fulbright Fellowship</b> )

### **Awards and Honors**

2009	<b>Award for ‘best paper’</b> published in <i>Health Economics</i> during the period 2006-07
2006, 2007, 2008	<b>Marie-Curie Training Programme</b> in applied Health Economics (organized by the University of York)
2005	<b>Fulbright Fellowship</b> , French-American Commission
2005	<b>Swiss National Science Foundation Fellowship for exchange programmes</b>
2005	<b>Dissertation award</b> from HEC Lausanne

### **Teaching**

#### **ESSEC Business School** (current position)

Business Economics (M.Sc), Paris and Singapore

Microeconomics (M.Sc), Paris

Health Economics (M.Sc), Paris

Evaluation methods of therapeutic actions, Executive Education, Paris and Singapore

Health Care Financing, Executive Education, Paris and Singapore

#### **HEC Lausanne** (past position)

Health Care Landscape (EMBA in Health Care Management)

Topics in Health Insurance (MAS in Health Economics and Management)

Risk and Insurance (BA.)

Health Economics (M.Sc in Economics)

#### **Faculty of Biology and Medicine, University of Lausanne** (past position)

Introduction to Health Economics

#### **IESE** (Barcelona and Madrid) (invited lectures)

Topics in Health Insurance

### **Academic responsibilities**

2013 - present	Academic Co-Director of the SMIS program ( <b>Executive Master Strategy and Management of Health Industries</b> )
----------------	---

### **Research**

#### **Research interests: Health Economics and Applied Econometrics**

Competition and Consumer choices in Health Insurance Markets

Valuation Methods of Health Care Strategies

Health Economics in Developing Countries  
Economics of HIV/AIDS  
Diffusion and Costs of Health Technologies

**Published Articles (refereed journals)**

## Dissertation

An economic and econometric analysis of patient adherence behaviour: implementation on trial clinical data in HIV disease (in French) (2004). <http://www.chuv.ch/bdfm/cdsp/TheseLamiraud.pdf>

## Research grants

2008 – 2011

Swiss National Science Foundation, **principal investigator**. Health Care Costs and the Diffusion of Medical Technologies: Evidence on Swiss Data (174 484 CHF)

2006 – 2010

ANRS (French national agency for research on AIDS and viral hepatitis, Agence Nationale de Recherches sur le Sida et les Hépatites Virales), **principal investigator**. A longitudinal analysis of adherence to antiretroviral therapies in HIV disease in a medical practice framework. Joint work with INSERM U379, Marseille (30 000 euros)

2005 – 2007

Swiss National Science Foundation, **co-investigator** (principal investigators: B Dormont, PY Geoffard). Evaluation of competition on health insurance markets: the Swiss case (140 816 CHF)

### **Dissertation committee**

- 2019 Arthur Souletie, Ph.D. Economics, Paris School of Economics
- 2018 Amélie Adeline, Ph.D. Economics, University of Cergy-Pontoise
- 2013 Mercedes Velles, Ph.D. Economics, University of Tor Vergata, Roma
- 2013 Marc Perronnin, Ph.D. Economics, University Paris-Dauphine
- 2010 Christian Viladent, Ph.D. Economics, University of Lausanne
- 2008 Christophe Pinget, Ph.D. Economics, University of Lausanne

### **Presentations**

*“The Impact of DRG Payment on the Diffusion of Medical Innovation/ CT Scanners”*

- 2nd Asian Workshop on Econometrics and Health Economics, Otaru, Hokkaido, December 2019

*“Balance Billing as a Signaling Device”*

- 20th European Health Economics Workshop, Verona, May 2019

*“Strategic pricing behaviors in the presence of consumer inertia: the case of health insurance”*

- Waseda-Keio Mini-Conference on Economics of Healthcare Systems, Tokyo, December 2018
- Italian Health Economics Association 23<sup>rd</sup> Annual Conference, Napoli, September 2018
- Congress of the International Health Economics Association (iHEA), Boston, July 2017
- University Paris-Dauphine, Paris, January 2013
- NBER Summer Institute, Boston, July 2011

*“French perspectives on healthcare funding and priority setting”*

- Medicine, Markets and Morals Network, Birmingham, October 2015

*“Incremental versus standard WTP: an application to out-of-hours and emergency care”*

- Journée de la Chaire Santé, Université Paris-Dauphine, March 2015
- 2<sup>nd</sup> Workshop on Non-Market Valuation, Aix-en-Provence, June 2014
- 9th Congress of the International Health Economics Association (iHEA), Sydney, July 2013
- British-French HESG-CES workshop, Aix-en-Provence, January 2012

*“New Technologies and medical costs: a Swiss perspective at the canton level”*

- 6th Australian Workshop on Econometrics & Health Economics, Melbourne, April 2015
- Service de la Santé Publique, Canton de Vaud, Switzerland, Invited Seminar, October 2010
- University of Lugano, Switzerland, Invited Seminar, May 2010
- 7th Congress of the International Health Economics Association (iHEA), Beijing, July 2009
- NBER Summer Institute, Boston, July 2008

*“The determinants of user innovation in medical imaging devices”*

- DRUID conference, Singapore, February 2016
- Schumpeter 2010, Aalborg University, Denmark, June 2010
- Open and User Innovation conference, MIT, Sloan School, Cambridge MA, August 2010

- 7th Annual International Open and User Innovation Workshop, Hamburg University of Technology (TUHH), Kühne School of Logistics, June 2009

*" The Competition in health insurance markets: do consumers vote with their feet?The case of Switzerland"*

- Working Group LEEM-Groupama-Cabinet Tilder, Paris, December 2016
- The Working Group on Risk – CREAR, ESSEC Business School, December 2014
- IESE Business School, Invited Seminar, Barcelona, May 2013
- MGEN, Board of Directors, Paris, September 2012
- IESE Business School, Invited Seminar, Madrid, June 2012
- ENS Cachan, Invited Seminar, Paris, May 2012
- AXA, Board of Directors, Paris, March 2011
- IESE Business School, Invited Seminar, New York, June 2010
- Ecole des Hautes Etudes en Santé Publique (EHESP), Invited Seminar, Rennes, November 2010
- Mutalité Française, Board of Directors, Nantes, March 2010

*"Economic analysis of the development of antibacterial resistance"*

- Institut Pasteur/INSERM workshop « Bacterial evasion to anti-infectives: from gene to public health », Paris, January 2012

*" Does culture matter for health?"*

- 8th Congress of the International Health Economics Association (iHEA), Toronto, July 2011

*" The relationship between basic and supplementary insurance in Swiss health care markets"*

- 8th European Conference on Health Economics (ECHE), Helsinki, July 2010

*" Does Poor Childhood Health Explain Increased Health Care Utilisation and Payments in Middle and Old Age?"*

- Share Conference, Paris, March 2010

*" Embedded demand for new technologies: evidence from CT and PET scanners"*

- DIME Conference organized by KITeS - CESPRI – Università Bocconi, Milan, Milan, October 2008
- Thematic Meeting of the French Economic Association (AFSE), Firms, Markets and Innovation, Sophia Antipolis, June 2009

*"Changes in health OOP payments and health care utilization in the early post retirement period"*

- Share Conference, Antwerp, February 2008

*"The relationship between high adherence and treatment efficacy: an econometric approach"*

- 12th International Workshop on HIV Observational Databases, Malaga, March 2008

*"Price competition and Complexity in Markets for Health Insurance"*

- NBER Summer Institute, Boston, July 2007
- 8th European Health Economic Workshop (EHEW), Magdeburg, April 2007
- 6th European Conference on Health Economics (ECHE), Budapest, July 2006

*"The influence of supplementary health insurance on switching behaviour: evidence on Swiss data"*

- Meeting of the Swiss Society of Economics and Statistics, Lausanne, March 2008

- 16th European workshop on Econometrics and Health Economics, Bergen, September 2007
- 6th European Conference on Health Economics (ECHE), Budapest, July 2006

*"Catastrophic Health Expenditure and Household Well-Being"*

- 10th European Health Economic Workshop (EHEW), Lisbon, May 2009
- University Paris-Dauphine, Invited Seminar, January 2008
- 6th Congress of the International Health Economics Association (iHEA), Copenhagen, July 2007

*"Impact of information on the willingness to pay for relief of influenza symptoms in different delivery patterns"*

- Conference on Health Economics and the Pharmaceutical Industry, IDEI Toulouse, January 2008
- NBER Summer Institute, Boston, July 2006
- British-French HESG-CES workshop, London, January 2006
- 5th Congress of the International Health Economics Association (iHEA), Barcelona, July 2005
- 73rd Annual Meeting of the Swiss Society of Internal Medicine (SGIM), Basel, May 2005

*"Non adherence: a rational behavior revealing patient preferences ?"*

- University of Tampa, Florida, Invited Seminar, September 2005
- Harvard University, Invited Seminar, July 2005
- University of Aix-Marseille, Invited Seminar, March 2005
- IRDES, Invited Seminar, Paris, Invited Seminar January 2005
- University Paris-Dauphine, Invited Seminar, January 2005
- 13th European workshop on Econometrics and Health Economics, Venafrò, September 2004
- 5th European Conference on Health Economics (ECHE), London, September 2004
- Journées de l'AFSE (French Association of Economists), Rennes, May 2004
- British-French HESG-CES workshop, Paris, January 2004
- 4th iHEA World Congress, San Francisco, June 2003

*"The effect of Health Care System and Environment on Variations in Performance and Quality of Colonoscopy in OECD countries"*

- International Conference of the Health Policy Statistic Section (HPSS) of the American Statistical Association, Chicago, October 2003

*"An analysis of longitudinal data with qualitative dependent variables. Comparison of econometric and marginal (biostatistical) approaches"*

- Congress of French-speaking epidemiologists (Adelf), Toulouse, September 2002

## **Invited discussant**

- 2nd Asian Workshop on Econometrics and Health Economics, Otaru, Hokkaido, December 2019
- 28<sup>th</sup> European workshop on Econometrics and Health Economics, Leuven, September 2019
- 1st Asian Workshop on Econometrics and Health Economics, Kyoto, December 2018
- 27<sup>th</sup> European workshop on Econometrics and Health Economics, Groningen, September 2018
- 26<sup>th</sup> European workshop on Econometrics and Health Economics, Prague, September 2017
- 25<sup>th</sup> European workshop on Econometrics and Health Economics, Nyborg, September 2016
- 2nd EuHEA PhD Supervisor Conference, Paris, September 2015
- 23<sup>rd</sup> European workshop on Econometrics and Health Economics, Munich, September 2014
- DREES, Ministry of Health, Paris, November 2013
- 22<sup>th</sup> European workshop on Econometrics and Health Economics, Rotterdam, September 2013
- European Health Forum Gastein, Austria, October 2012
- 21<sup>th</sup> European workshop on Econometrics and Health Economics, Lund, September 2012

- British-French HESG-CES workshop, Aix-en-Provence, January 2012
- 20th European workshop on Econometrics and Health Econometrics, York, September 2011
- 18th European workshop on Econometrics and Health Econometrics, Sardinia, September 2009
- 17th European workshop on Econometrics and Health Econometrics, Coimbra, September 2008
- Conference on Health Economics and the Pharmaceutical Industry, IDEI Toulouse, January 2008

## **Service**

### **Associate editor**

2018 - present

*Health Economics*

[http://onlinelibrary.wiley.com/journal/10.1002/\(ISSN\)1099-1050/homepage/EditorialBoard.html](http://onlinelibrary.wiley.com/journal/10.1002/(ISSN)1099-1050/homepage/EditorialBoard.html)

### **Selection committee**

2019 - present

Member of the Arrow Award Committee, iHEA. <https://www.healtheconomics.org/page/ArrowAward>

### **Referee**

Bulletin of the World Health Organization, Economic Modelling, Health Economics, Health Economics Letters, Health Policy, Health Services Research Journal, International Journal of Health Care Finance and Economics, Journal of Health Economics, Social Sciences & Medicine, The Lancet, The Geneva Papers on Risk and Insurance - Issues and Practice, The Geneva Risk and Insurance Review, The B.E. Journal of Economic Analysis & Policy

### **Conference Organization**

2019 - present

Workshop organizer of the Asian Workshop on Econometrics and Health Economics.

<http://www.waseda.jp/prj-wishproject/asian-wehe/index.html>

Member of the iHEA Scientific Committee Review Panel for the 2019 World Congress, Zurich

Member of the iHEA Scientific Committee Review Panel for the 2017 World Congress, Boston

<https://www.healtheconomics.org/page/BostonCongress2017>

Local organizer of the 24<sup>th</sup> European workshop on Econometrics and Health Econometrics, Paris, September 2015 (Series Organiser: Andrew Jones and Owen O'Donnell)

<http://www.york.ac.uk/res/herc/research/ew/index.htm>

Local organizer of 19th European workshop on Econometrics and Health Econometrics, Lausanne, September 2010 (Series Organiser: Andrew Jones and Owen O'Donnell)

<http://www.york.ac.uk/res/herc/research/ew/index.htm>

Member of the scientific committee of “Journées des Economistes de la Santé Français”, since 2010

Member of the Scientific Committee of 2009 iHEA conference, Beijing,

<http://www.healtheconomics.org/congress/2009/scicomm/>

Member of the Scientific Committee of 2008 ECHE conference, Roma

Organization of Health Economics Seminars at the Institute of Health Economics and Management, University of Lausanne (2007 – 2009)

Organization of a series of seminars on the economics of obesity (joint organization with F Paccaud, Institute of Social and Preventive Medicine of the University Hospital) (2006)

### Articles in Newspapers

"Le lien entre assurance complémentaire et assurance de base freine la concurrence", *Le Temps*, 15 February 2006 (with B Dormont and PY Geoffard)

"Caisses maladie : pourquoi la concurrence ne fonctionne pas", *Le Temps*, 30 October 2006 (with RG Frank)

### Consulting / Expertise

2019 - present

Member of the Evaluation Committee of **Paris Biotech Santé** (Incubator in the Health Sector)

2018 - present

Member of **Cercle Galien** (Health Innovation Think Tank), <https://www.prixgalien.fr/cercle-galien/>

2017 - present

Member of the Board of Directors, **French Foundation for Rare Diseases** (<https://fondation-maladiesrares.org/eng/our-organisation/the-board/>)

2017 - present

Member of the Board of Directors, ESSEC Business School

2017 **The European Commission**, expert evaluator for the 2017 Marie Skłodowska-Curie Individual Fellowships Call

2016 - 2017

Member of the working group **LEEM-Groupama-Cabinet Tilder** on the future of health insurance in France

2016 **The European Commission**, expert evaluator for the call on implementation research for scaling up evidence-based innovations and good practice in public health (**H2020-SC1-2016-RTD**)

2015 - 2018

Member of the Scientific and Medical Committee of **MGEN**

2014 **IMS Health**, Member of the Scientific Committee of a study investigating the following question: "do hyaluronic acid injections delay knee replacement surgery?"

2013 **The Netherlands Organisation for Scientific Research (NWO)**, Independent Expert

2013 **The European Commission**, Directorate General for Research & Innovation, Brussels. Member of the Independent Expert Group on the Future of European Public Health Research.

- 2012 **Atlantis Health Care** , New Zealand, Steering Group Member of the project “modelling the costs of non-adherence”
- 2010 Haute Autorité de Santé (**HAS**), Paris. Member of a working group on the economic evaluation of antihypertensive drugs
- 2009 **UNITAID – World Health Organization**, Geneva, Switzerland: Establishment of guidelines for impact criteria for UNITAID strategy
- 2009 **Carles Consultants, SOS Doctors**, Paris, France. Evaluation of emergency and out-of-hours medical services in France
- 2007 **NIVEL**, the Netherlands Institute for Health Services Research. Report on cost-sharing arrangements in Switzerland.
- 2006 **French National Cancer Institute (INCa)**. Evaluations of proposals.
- 2004 **World Health Organization and International Labor Office**, Geneva, Switzerland  
The impact of Social Health Protection Mechanisms on health Care use and catastrophic health expenditures: a case study of South Africa.
- 2002 **Under the supervision of Pr Claude Le Pen**  
Economic evaluations of Angiotensin Converting Enzyme (ACE) Inhibitor Trandolapril in the Treatment of Post Infarction in the US (trial-based cost effectiveness analysis)

### **Professional memberships**

- 2006 -2010 Member of the committee of the **Swiss Society for Health Policy (SSPS/SGGP: société suisse pour la politique de santé)**. <http://www.sggp.ch/index.cfm>.
- 2002 - Member of the International Health Economics Association (**iHEA**)
- 2002 - Member of the French Health Economists Association (**CES**)
- 1997-2009 Member of the committee of the health working group of **HEC alumni association**, Paris.

### **Languages**

- French mother tongue
- English fluent
- German fair
