

Workshop in Gender and Family Economics

December 18, 2023

CY Cergy University and the Sorbonne Economics Centre (CES)-Université Paris 1 Panthéon-Sorbonne are glad to announce the organization of two workshops in Gender and Family Economics this academic year.

The first one will take place on December 18, 2023. It will focus on Family Economics, with a particular emphasis on **Marriage**.

It will be held in a **hybrid format**, allowing those who cannot be physically present to still participate online. Registration in the workshop is free but **mandatory**. Please make sure to register using this [link](#) before **December 1**.

The workshop will take place at [THEMA, CY Cergy Paris University, 33 bd du Port, 95011 Cergy Pontoise Cedex](#).

Each presentation lasts 50 minutes and is followed by a 10-minute discussion.

DETAILED PROGRAM:

- 9:30-10:00 am: *Welcome and Coffee*
- 10:00-11:00 am: "**Matching models of the marriage market**" by [Simon Weber](#) (University of York).
- 11:00-12:00 am: "**Revealed Beliefs and the Marriage Market Return to Education**" by [Alison Andrew](#) (University of Oxford), joint work with Abi Adams-Prassl (University of Oxford).
- 12:00-1:30 pm: *Lunch*
